

May Co. Names Promotion Head

Maggie Pexton, former promotion director at the May Company's Wilshire Store, was named director of sales promotion for the firm's Los Angeles stores early this week, according to an announcement made yesterday.

Associated with the chain for the past 12 years, Miss Pexton is a graduate of Stanford University and is a native Californian.

Formerly advertising director for the May Company's Southern California stores.

School Board Studies Need Of Proposed Fifth High School

With the opening date of West High, Torrance's fourth high school, tentatively set for 1962, School Board officials have begun discussing the possibility of a fifth high school for Torrance.

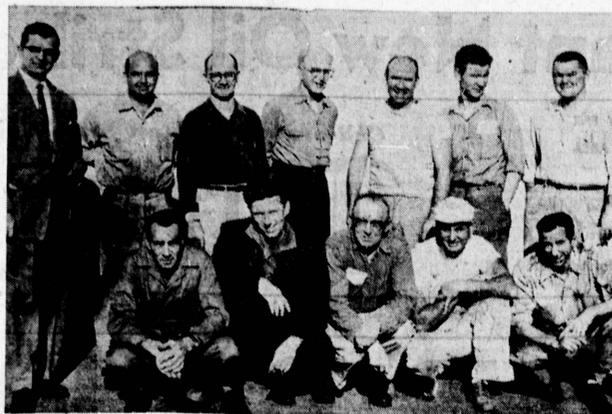

The possibility of a fifth high school arose during discussions of plans for West High School at a meeting of the Torrance School Board Tuesday night when Superintendent J. H. Hull indicated that the need would become a reality if residential development of the city should continue at its present pace.

School officials plan to keep a close watch on enrollment figures and to study possible sites in the south central part of the city. It was pointed out that the school district might save several hundred thousand dollars if they were to purchase a site now, inasmuch as they could avoid the bite of rising land values.

SUPERINTENDENT HULL pointed out that by overriding opposing sentiment in 1952 the Board bought the South High site for \$2325 an acre. At the time construction got underway, he stated, the land had increased in value to \$20,000 an acre.

According to the Department of Special Services, at least 3000 high school students will reside in the new West High area within 10 years. The first unit of the new high school will accommodate a maximum of 3000 students. Present estimates indicate that by 1969 there will be at least 850 more high school students than the four high schools could handle.

FACTORS which will affect the need of a possible fifth high school are the highly probable inclusion of the Vic-

RECEIVE TEN-YEAR PINS . . . Glenn Koger, vice president and general manager of Rome Cable Corporation's Torrance plant, recently awarded ten-year service pins to the twelve employees pictured above who completed ten years' service during 1958; back row, left to right: George Heaton, Raymond Gregory, Blythe Brown, Henry Schmidt, Russell Landers, Henry McCann, Russell Liken; front row, left to right: Donald Leinert, Charles Northcutt, Loren Dawes, John Borneman, and Elmer Osmun.

ELECTED

Dr. Edward B. Doll has been elected a vice president of Space Technology Laboratories, Inc., it was announced today by Dr. Louis G. Dunn, president.

Dr. Doll is currently in charge of the Torrance High School District, the development of the Walteria Lake area, and the construction of houses or apartments in other large undeveloped areas of the city.

Bounding the new West High School will be Henrietta, Spencer, Victor, and Del Amo Blvd. The school will serve students from the surrounding area.

New units at North High, which opened in 1955, and at South High School, which opened in 1957, are currently under construction.

Research to Be Honored By Local Chamber

"Salute to AResearch" will be the theme of the January breakfast meeting of the Torrance Chamber of Commerce to be held Tuesday at 7:20 a.m. at the American Legion clubhouse, 1109 Border Ave.

Co-chairmen Glenn Koger and Reid Parkin said that the largest attendance in the Chamber's history is expected to turn out to greet the new firm, which will employ over 5000 people when facilities are completed on a 66-acre parcel in North Torrance at 190th between Crenshaw and Arlington.

Top company officials will be on hand to relate the "blue chip" firm's local plans for the future and to accept the official "key to the city" from Mayor Albert Isen.

Chamber officials said the meeting is open to the public. Reservations are required. They can be obtained at the chamber office, 1345 El Prado, or by telephoning FA. 8-2814.

Greyfriars to Vote on Plans

Architect's plans for the Greyfriar Memorial Presbyterian Church to be erected on Ocean Ave. will be presented by the planning committee for approval of the congregation following worship services Sunday.

Dr. David Calkerswood, pastor, will deliver a sermon entitled "More Powerful Than the Most Powerful King" during the service which will take place at the Sea-Alife Park Community Bldg., Lupine and Reynolds Rd., at 10:30 a.m.

Obituaries

FRED M. SNYDER
Funeral services for Fred M. Snyder, 71, of 1516 W. 214th St., were conducted Tuesday at 1 p.m. by Rose Hille Mortuary, Whittier, with the Rev. B. W. Guymon officiating. Interment took place in Rose Hills Memorial Park.

Students to Staff School

Student officers at South High School will have a first-hand opportunity to study the administration of their high school today when they participate in Junior Administration Day.

The one-day administrators were indoctrinated by their staff counterparts at a meeting held yesterday. After working with the faculty members they are to replace during the early morning periods today, the junior administrators will operate the school during the remainder of the school day.

Swim Club Holds 4th Annual Meet

Fourth annual swim meet of the South Bay Swim Club was held last Sunday at the pool of the club's coach, Anna Jensen, 1120 Vincent, Redondo.

Swimmers ranged from 5 to 16-years of age and were required to swim the four basic strokes, free style, back stroke, breast stroke and butterfly for high point trophies. Boys and girls 10 and under swam 25 yards and 11 and over 50 yards.

Competition was outstanding throughout the meet with over 200 spectators present for the annual event.

JUNIOR COLLEGES

Twenty-six states permit the establishment of junior colleges and 16 states provide state aid for them.
